

# WOMEN OF THE WEST

## The Leadership Experience

*commencing 17th May, 2019*

**BSB51918 Diploma of Leadership and Management**

### The Vision

Our vision is to support the increased representation of women in business and community leadership roles through education. Our program will excite, motivate and inspire women to realise their full potential both in the workplace and their personal life.

### The Experience

Trainwest recognises that women represent an enormously under-utilised national resource. Through supporting a greater percentage of talented women to progress into leadership positions, Trainwest is offering the 'Women of the West: The leadership experience'.

This exclusive program is designed for women from a range of industries seeking to develop their leadership and management capabilities. This program will strengthen the candidate's knowledge of strategy, negotiation, communication and leadership. It is for those wishing to actively manage their own professional development and secure managerial opportunities in the workplace.

The experience is a 12-18 month program aligned to the **BSB51918 Diploma of Leadership and Management** with structured one day interactive sessions scheduled over 4 weeks. Our next program will commence May 17th, 2019. These sessions complement the engaging learning and assessment resources which candidates assess online.

Each Masterclass may include: Guest Speaker, Masterclass and Creative Learning Activity.

### The Reward

Develop confidence, knowledge and skills with other professional women. It will enable you to build sound community and business networks which will last beyond this program. Achieve a nationally recognised BSB51918 Diploma of Leadership and Management upon successful completion of the experience

### The Investment

**\$4,950 per person**

0% interest payment plans available.

The interactive sessions include inspiring keynotes on:

### **LEAD LIKE A LIONESS:**

*Who's really feeding your family, career and life.*

Learn to lead the herd as we explore different leadership styles and how their application can help you get the best from your team. Debate the difference between a manager and leader. Take note, this first session is not one to miss.

### **THE DAILY JUGGLE:**

*Meet the local WA Supermum.*

Listen to compelling stories about the challenge behind balancing work and life commitments. We outline several strategies you can use to find the secret recipe which works for you.

### **DON'T CALL ME BABY:**

*Increase your conflict management strategies and learn vital methods to handle sticky situations.*

Dealing with sensitive issues can be hard in today's workforce and is often dealt with by sticking your head in the sand. We look at how to address these issues in an assertive manner to ensure a positive resolution for all. The latest techniques will be shared to equip you with the tools you need.

### **SHATTER THE GLASS CEILING:**

*On your way to the corner office!*

Goal setting, professional development and networking will be discussed as we go on a journey up the organisational ladder. This interactive session will inspire you to reach for the stars and achieve new heights.

### **GIRLS JUST WANT TO HAVE FUN:**

*Professional support for women and their networks.*

How to make your workplace fun, key tips you can apply today. In this session we explore the benefits of a fun, healthy workplace and explore ideas on how to reduce stress and decrease the risk of mental health issues.

### **WHO STOLE MY CHEESE?:**

*It's time to for a change, let's innovate.*

The modern workplace is always changing. Leaders need to learn to adapt and find opportunities as markets shift. The light globe wasn't invented trying to improve the candle. The key distinction between continuous improvement and innovation.

Limited places are available to this exclusive program ensuring candidates receive an intimate learning experience.
